IMPORTANT DATES 2023:

=====

- April 20: Deadline for paper reception.
- May 20: Communication of acceptance by the Scientific Committee.
- June 20: Deadline for receiving amended papers.

SUBMISSION, RULES FOR PRESENTATION AND PUBLICATION OF PAPERS

=====

You can download the template for the presentations on the springer's website (<https://www.springer.com/gp/authors-editors/conference-proceedings>)

Consent-to-Publish should be sent to maestriagp@uci.cu. Besides authors should submit the Consent-to-Publish form (Contributor Consent to Publish.docx) signed by the authors of each paper, at least by the corresponding author. Also, the authors should obtain permissions from the previous publisher for any material that they want to reuse (Permission Request Form.doc).

Papers will be received from January 20, 2023 by the EasyChair platform or by the Springer OCS depending on the specific event in which they are going to participate.

Papers will be reviewed by double-blind pairs and their acceptance will be subject to the evaluation of the Scientific Committee corresponding to each thematic workshop.

A selection of the papers will be included as post-event publications in the Series "Studies in Computational Intelligence" (SCI) indexed by Scopus.

Other selected papers will be published in journals: "Revista Cubana de Ciencias Informáticas" and "Epistemus" both indexed in Scielo. Rest of the papers will be published in UCIENCIA 2023 proceedings.
